

TEAM RULES

Teams should be at least 2 participants and no more than 4. All LEGOS are provided to each team on the day of the competition. Teams are encouraged to come up with their game plan in advance as each team will have the same amount of time to build (2 hours). You will be asked to construct a home out of the LEGOs you are provided. While the event is supporting this year's Women Build house, this competition is open to both ladies and gents! There will be awards for construction, creativity, and a crowd favorite. The event is also open to anyone that wants to come out, watch and support the building of your team's LEGO masterpiece!
